

BRING HOPE TO THE HEARTS OF THE FATHERLESS

It is said that the greatest season in your life is childhood, but reality is, this is not true for all children. In the great state of Texas there are over 30,000 children currently in CPS care. That is 30,000 too many children that are not experiencing the greatest season of their life. Those numbers are staggering, and it's almost inconceivable that we can make a difference, but just one step at a time gets us closer to a solution. My goal with this Kind Fund page, is that our community of mankind, is to take a step in the right direction! I would like to use the funds to start a non-profit that will aid in finding these children the faith filled homes they deserve. To have a childhood that they will cherish! To raise leaders in our communities, to restore hope in the hearts of our future. The goal is not a once off event, it is not a moment in time, but rather a season in their journey. Christmas is around the corner, a great moment for us to decide to make the difference! Christ was born in a barn, but what a life! A life He gave for our salvation, He gave us hope, He gave us a future. Please help me give hope and a future this Christmas. Please prayerfully consider donating to this, money will be used in on-going projects and to purchase Christmas gifts for as many children as possible.
