

## CT - MARCH FOR OUR LIVES

I am Tyler Suarez. My Aunt, Dawn Hochsprung, was the principal of Sandy Hook Elementary School. She was gunned down in the lobby of her school trying to protect her beautiful students. Gun violence has been a huge part of my life, and it has been rapidly increasing across America at an exponential rate. Thoughts and prayers are not enough to honor the victims of gun violence. What we need now is ACTION. I am working closely with Women's March CT and several gun violence prevention allies to organize a march that will take place at the state capitol in Hartford, CT on March 24. The funds from this campaign will be spent on the incredibly difficult and expensive process that comes with organizing a big march like this. Every donation counts and is greatly appreciated. Everything left over after the expenses of the march will go to the Parkland victims' funds. It is time that we be the change we want to see. Join us in this fight for our lives-
