Victor A. Malafronte "My Kind Funding Campaign" Medical Fund Raiser for a Disabled U.S. Veteran. The Original World Frisbee Champion 1974. PDGA 002 "The Harlem Globetrotter National Frisbee Tour" John Kirkland and I were on a national tour with the Harlem Globetrotters in 1974-5. You might have seen one of our World Champion Frisbee Shows. In many Brooklyn neighborhoods and around the world. When the Harlem Globetrotters were on ABC Wide World of Sports. Our entire family was watching the Magicians of Basketball! To think that one day. I would be invited to Meadowlark Lemon's Christmas party, with his entire family and Globetrotter Team. Was surreal. It still is. I also got to play one on one basketball with The Great Curley "Freddie" Neal. It was a thrill every time he faked me out and blew pass me to the hoop! "The Veterans Administration" For the pasted 3 years. The VA refuses to approve my Back Surgery. My MRI showed 2 degenerative discs T-3 and T-4 that have to be replaced. I am trying to raise 20,000 because I will be using Medicare's payment plan of 80%-20%. I am in pain every day. I went to the gym 3 times per week. I was in great physical shape. I don't want to live my senior years as a broken old man just because of 2 degenerative disks. "The World Champion Frisbee Show" You might have seen one of my World Champion Frisbee Shows.
