

FEEDING HOMELESS CATS AND HOUSING PREGNANT CATS AND KITTENS

I am an elderly woman on disability, and I have 4 cats of my own, but I feed all the neighborhood free roaming ferals, and have had most of them fixed and vaccinated. I also house pregnant cats, and rescue kittens. I'm having a hard time buying the food and medicine that I need for all the precious babies. But I just can't let them go hungry. I'm asking for help in my quest to keep these babies fed and in good health. I would appreciate any donations, and donations will be used for the health and safety of all my CATS. The homeless and my own. I want to say Thank you for your donations.
