

HELP WITH ANOTHER APARTMENT

Hello my name is Lucille Falkner and I am a single mother of 4 children and a grandmother of 1 granddaughter. I'm currently homeless with my children due to the fact that I was helping someone out with their rent and their landlord didn't want to renew the lease. I am trying to raise money for my family so we can get a place of my own. I am currently homeless and I have a 17yr old daughter and a 16yr old son and a 1yr old granddaughter and my only wish is to get into a place before this 2 month is over. I have a full time job but because of the season's changing I am barely working due to lay offs. Right now I'm staying in a hotel and that is killing my pockets. We all know how hard it is to come up with a security deposit and first months rent. I have found a very nice apartment I'm turning to this site in hopes of raising enough to get settled in before 2 months is up. I am asking for your help to help my family out with getting an apartment to call our own. If you can't not help I completely understand all I ask is if you can share this link, maybe someone you know may be able to help. Thank you for your help. Things are bad enough that I'm willing to reach out for help again. I normally hate to, but I and my family need the help. We are on the verge of being on the streets and I won't be able to deal with that. I can't deal with being homeless again, it's hell. It's hell losing everything you have over and over no matter what you do. My family and i, which including me consists of my daughter, my son and my granddaughter are in desperate need of funds. We don't have anyone that we know that we could go to for help, so I'm asking here. Any small amount is greatly appreciated, and if you can't donate, please boost this
