

HELP WITH MIKE URICH MEDICAL BILLS

Mike Urich has medical bills that he can't pay along with paying regular bills. We have set up a payment plan but with regular bills and working it's very hard as you all know. Mike (Dom) is normally the first person to help out others. He doesn't want to ask for help when he needs it. Am asking for him. He is willing to work extra to make sure that he gets bills paid. Any help would be greatly appreciated. Thank you for reading and sharing.
