#### HURRICANE MICHAEL SUPPLIES FOR WEWAHITCHKA, FL

Hello. My name is Dirk. Me and my family are Hurricane Michael Survivors. I live in a small rural town known as Wewahitchka, Florida. We took a direct hit from Michael. It's total devastation here and most of the area around us. My job is gone as many others are. My wife lucked out and still has a place to work to support us. I would like to raise money to make regular runs out of the area to gather supplies those in the community need and bring back to give away to those in need who lost everything while I'm out of work. Any little bit helps. The small rural towns like ours are not seeing the kind of aid the bigger cities are seeing and I would like to ensure our community has the essentials it needs. Thank you for everything.
