

## HYPE 3ND ANNUAL UNITY IN THE COMMUNITY HOLIDAY DINNER

It's that time of the year again and I need your help for, HYPE 3nd Annual Unity In The Community Holiday Dinner. These dinners are vital to reducing the violence in our community. These dinners allow us to come together and talk about how to keep our community safe. It also allows us to come up with positive ways to engage the youth who are really at risk of hurting them self or other in the community. We are able to bring them in feed them and work on building a positive relationship that is so needed in their lives. I am asking for your love and support to raise the funds that I will need to cover both the North and Southend of Hartford. These dinners allow us to bring the young people in off the street immediately into a safe environment, where they won't have to worry about the Violence that happens all to often in our community. Please help HYPE to transform the lives of these young people that deserve to be safe in their community
