

IM ABOUT TO BE ONE OF TRUMPS 4%

after loosing my job was unemployed for months behind on everything. Ive worked my whole life while scum sit around and make money and come up by being peices of shit and now i need help saveing everything i have and supporting my family. \$10.00 an hour job wont cut it for a family of four these days. Facing foreclosure, repossessions all of the about always helped everyone and ended up getting screwed over for it. So what do you say? Dont make me be the guy that salutes you everytime you cross mckinley bridge. Thank yo
