### MADDYSON'S CHEERLEADING

Maddyson has made the Cheer team for Heritage! Fundraising and crowdfunding are a big important part of this sport due to the cost of uniforms, camps, materials, and other necessary equipment needed to have a successful year! Maddy is trying to raise \$250.00 by August 30th, to help offset the rest of the cost for her cheer season. She has also been doing can drives, mowing lawns for extra money, car washes and bake sales. We appreciate any and all donations that you can give to help support Maddyson in this Cheer season! Go Hawks!
