

MARATHON FOR THE AIRLINE LADY VIKING VOLLEYBALL TEAM

I love doing everything with purpose and passion. One of my favorite passions is coaching the Airline High School Lady Viking Volleyball Team. They are a wonderful group of young ladies who challenge me to be a better leader everyday. One of the ways I enjoy leading them is through my example. It is my goal to always be able to do the physical activities I ask them to do, and beyond. With that purpose in mind, running has become a wonderful outlet for me and an important part of my life. I will be competing in my first full marathon Sunday, March 3, 2020- The Cowtown Marathon! Just like these girls compete and give their best on the court, I want to do the same running through the streets of Fort Worth and giving my all! Would you consider helping me create an even greater purpose for this run by helping me achieve my goal of raising \$100 per mile that I run for this team? There is no contribution too small, ANY amount will help our team get the best equipment and uniforms that our program can afford.
