

MTOC STUDIO NEW LOCATION UPGRADES!

Musical Theatre Orange County (MTOC) is a 501(c)3 non-profit organization. MTOC has provided quality live theatre to Orange County for the past 15 summers. Two years ago, MTOC Studio was created from a desire to build a year round presence for the first time in the organization's history. Offering private lessons and group classes, we focus on providing personalized and high quality training for all our performers. In the span of the past two years, we outgrew the space and expanded into a second warehouse for set and costume storage. This past Spring we began searching for a larger building to house current MTOC offerings, in addition to a new convertible rehearsal and black box space. This brings us to MTOC Studio 2.0, an 8,000 square foot office and warehouse that is home to all of our dreams for MTOC. Help us bring wonder and magic to the next round of MTOC! We need assistance to offset the many costs of upgrading our new location to be everything we need it to be. As a 501(c)3 non-profit organization, MTOC depends on donations from personal and corporate donors. These funds will be used for the following new installations for MTOC Studio: 1. \$2200 40'x40' Dance Floor 2. \$2000 Black Curtains to surround Black Box Theatre 3. \$800 Mirror installation for studio area. Thank you in advance for your willingness to partner and support us in this new endeavor! Our Mission Statement Our Goal is to produce family oriented musical theatre with a superior production value. We will give young actors the chance to learn from, and be directed by working industry personnel, and the opportunity to perform in a professional theatre environment. It shall be inclusive for all those involved. We age theatre etiquette, a sense of teamwork and fun.
