

PLEASE HELP PRECIOUS WITH HERNIA

we adopted precious 5 months ago. she has a terrible buldge in her tummy/side area. we took her to a vet because she was abused, and the vet said that was not a tumor it was a hernia, and she requires a surgery to repair it. the vet, seven hills, said they will charge \$667 to have it fixed and for pain control after surgery. please help our cat, as we (me and my husband) are on a fixed income. thank you for reading this.
