

## SLO #STANDWITHPP DAY OF ACTION

Volunteer organizers in your community are planning a Day of Action to #StandwithPP. This event already has hundreds pledged to attend and take action. Donate now and your contribution will be part of what makes our SLO #StandwithPP Day of Action a success. 100% of the funds donated over our operating costs will be given to the San Luis Obispo Planned Parenthood clinic so they can continue serving the San Luis Obispo and Central Coast community. For the past century, Planned Parenthood has transformed women's health and empowered millions of people worldwide to make informed health decisions, forever changing the way they live, love, learn and work. Planned Parenthood was founded on the revolutionary idea that women should have the information and care they need to live strong, healthy lives and fulfill their dreams — no ceilings, no limits. Today, Planned Parenthood is a trusted health care provider, an informed educator, a passionate advocate, and a global partner helping similar organizations around the world. Planned Parenthood delivers vital reproductive health care, sex education, and information to millions of women, men, and young people worldwide. We stand with Planned Parenthood. On February 11th 2017 we will do that by an action based in San Luis Obispo- more details to come as we work with the city and Parks and Recreation department to finalize permits. #StandwithPP and with your community by donating today.
