TO HELP WITH MY DAUGHTER'S FULL SEASON CHEERLEADING FEES.

Hello, My name is Tina Schneider, and I am the mother of Alyssa Schneider, an intelligent, athletic, and very active 7-year-old. This year, she will be a busy third grader. In addition to playing guitar, tumbling classes, karate, and swimming, she is an all-star prep cheerleader, with World Cup Ohio, located in Grove City. Although this is her fourth season of competition, unlike the previous three seasons, prep cheerleaders now practice and compete for the full season, which can nearly double the costs from the previous seasons. Alyssa loves competitive cheer and wants nothing more to continue this endeavor. She has hand-written the letter on the main page, with her request for donations. The money you donate will be used directly to assist her with many expenses, which include, but are not limited to:- Try out fees- Tech classes, tumbling classes- Monthly gym fee- Uniforms: Practice wear, t-shirts, socks, cheer shoes, all-Star prep uniform, makeup, bows, and spirit wear- Choreography fee- Competition fees- Travel, parking, water and snacks on the day of competition. Your donation is tax-deductible, as the funds raised will be placed directly into her Cheer Center booster account, which is non-profit. I will send a receipt to each donor, via email, for the purposes of tax-deduction. Follow me on social media, where I will post, throughout the season her skills and achievements, throughout the year. This donation page is in lieu of requesting purchases, throughout the year, through alternative forms of fundraising. If you are a business, please comment with your email, so I can send you information about company sponsorship opportunities. Company sponsorship opportunities allow for the possibility of recognition on the World Cup Ohio All Stars website. Thank you in advance for allowing Alyssa to continue to pursue her dreams.
