

VET CARE FOR RESCUE CATS

Will you help us provide vet care for the cats? Homeless No More Cat Rescue is a 501(c)3 non-profit, no-kill cat rescue in Fairbury, NE. In 2017, we moved into our forever home at 311 4th Street in downtown Fairbury. All our cats available for foster or adoption receive regular veterinary care. As a completely volunteer organization we receive no city or state funding for our mission. Our funding comes thru donations from our amazing donors like you!
