

WINC CON 2018

Established in May of 2012, Women in Comics Collective International is an organization that focuses on highlighting the merit and craft work of women working in the comic book industry. We host events free to the public such as art shows, workshops, panel discussions and as well as our own convention Women in Comics Con aka WinC Con! This year we will be hosting the 4th Annual WinC Con at a new venue in a new borough and we'd like to bring the convention to the community in the best possible way! Our event has grown in such a wonderful way; more and more artists/creators are interested in vending each year, both our panel and workshop schedules have broadened, so we needed to move to a larger venue in order to accommodate it all! In addition, we usually fund the show out of our own pockets, however, supplies for the event have gotten more costly due to the need for expansion and we need your help! All the proceeds from this campaign will go to things such as purchasing vending tables, transporting the tables to the venue via U-Haul, Show Banners and Signage, Show Flyers, Show Promotional Materials, Programs, Workshop facilitator supplies, Panelist supplies, and Vendor supplies. All funds are needed by June 1st. Thank you so very much for your time and consideration! We appreciate anything and everything that we receive. Every dollar counts and is needed!
