

Woman's March on Washington

WOMEN'S MARCH ON WASHINGTON TEXAS BUS PACKAGE TRAVEL FUND

We are trying bring as many Texans as possible to the Women's March on Washington. We have secured a great hotel and bus package. It would be amazing if you could donate any little bit to help with the costs of marketing the package--namely printing flyers. The rest will go directly towards sponsoring someone eager to go, but simply lacking funds. We can even put you in contact with them so that you can follow them virtually throughout the rally! More than 50 of us will be traveling the 50+ hours round-trip to Washington by bus, building camaraderie along the way. There is even a good possibility of a national news presence on our Texas bus if we can make it happen! We will post an accounting of how the funds are used on our website: www.womensmarchonwashingtontx.org. Please be sure to provide your contact information in the comments section if you would like to connect with your sponsee. Every little bit helps! We want to let the world see that Texans stand together in solidarity, recognizing that defending the most marginalized among us is defending all of us. Thank you so much for your support. Let's make this happen together!
